If you would like to request assistance or to suggest a training topic, please contact Craig Kandell at ckk7@columbia.edu.

Our mission....

The Research Resources (R²) Office supports the Mailman School of Public Health's faculty, post-doctoral scientists, and doctoral students in the development and preparation of grant applications.

R² helps researchers identify appropriate funding opportunities, develop project ideas, prepare grant applications, and arrange for internal review and feedback on applications prior to submission. R² also provides training on essential topics for public health researchers.

Services

- Training and information sessions
- Connecting faculty with funding opportunities that match the School’s priority areas
- Identifying innovative funding opportunities
- Coordinating grant writing groups
- Assisting with Sponsored Projects Administration (SPA) and IRB communications
- Providing one-on-one sessions to find funding, plan grant applications, and offer individualized
