Mailman School of Public Health

Post Graduate Outcomes, Class of 2016-17

This report analyzes the Oct. 2016, Feb. 2017 and May 2017 employment survey responses and related information. The Office of Career Services had information regarding 602 graduates as of Jan. 23, 2018, from a total of 642 graduates surveyed, a “knowledge rate” of 94%. 
• 376 graduates reported salaries, with part-time and international currency salaries excluded.

• AVERAGE AND MEDIAN:
  – The overall average salary was approximately $77,000 (with no prior graduate degree: $65,860)
  – The overall median salary was $65,000 (with no prior graduate degree, $62,000)

• SIGNING BONUSES:
  – 65 graduates (17%) reported received signing bonuses, relocation, or education benefits. The average signing bonus was $11,404 and the median was $5,000.
Salary By Industry: MPH/MS ONLY—School-wide
(excluding PhD, DrPH, those with MD, Executive Programs)

Student Quotes

• I only comment that it is a great service, which all students should take more advantage of. Keep up the fantastic work.—Biostats MS
• ...you served as great emotional support when I was having a job crisis. Thanks for listening!—EHS MPH
• You all do a FANTASTIC job. Seriously, I cannot emphasize that enough. Keep it up! I am so thankful to have help from a team like this.—Epidemiology MPH
• The office of career services is a valuable asset to the Mailman School of Public Health and I have really appreciated meeting with its lovely staff members. Thank you all!—Epi MPH
• I found my job because NORC did an event at DC Career Week. Even though I couldn't attend, I learned about the organization and that they were interested in Mailman graduates so applied on their site. I found the OCS events very helpful overall.—HPM MPH
• I would love to help in any way. Career Services was helpful to me. I did not use them very much but when I had questions, I had wonderful experiences an trusted in the expertise!—HPM MPH
• You are all wonderful! The career link and OCS announcements are very helpful, and you guys were great at reminding us what resources were available as well as holding seminars and having meetings. I certainly didn’t use Career Services as much as I could have but I was always happy to know that it was a real, useful resource available to me, and I'll definitely look to use it in the future should I need. Thank you!—HPM MPH
• This office is one of the largest assets for this school. The work you all do is invaluable and I truly thank you for all your help. I don’t see how you could do any more. Great work! I've received resume advice, attended networking events, salary negotiation advice, and other advice during the job search. I gained three internships via the Mailman job board, and conducted at least 15 informational interviews via the alumni networking site. And I got my job with Booz Allen from the career fair.—SMS MPH
• OCS was one of the reasons I chose to Columbia for my MPH, and your office lived up to my expectations! Thank you!—SMS MPH
• I am sincerely grateful for the obvious effort that the staff at Career Services put into their programs and offerings. Thank you for your support over the years. I look forward to staying in touch with you as I take advantage of the lifetime privileges that you extend alumni!—SMS PhD
• The services in the career services center is excellent and I'm happy that I received exceptional guidance and support during my time at Mailman. Thank you!—SMS MPH
• In my own experience and by rave reviews from others, I just want to say that we students greatly appreciate all the work you do at OCS! Although I didn't attend as many OCS events as I should have, simply receiving the email blasts helped encourage me to stay on top of my plans for next year. Your help has made that process much less stressful! And I admire all of your cheerful nature in doing so. Thank you!—SMS
