

Nancy McGee, MPH '08, DrPH

Term: 2013-Present

Nancy is Executive Vice President at Avalere Health. She has worked in the healthcare field for over eighteen years. She started her career working on patents for novel cardiovascular medical devices in the 1990's. Later, she joined The Lewin Group, a nationally recognized healthcare consulting firm with consultants drawn from industry, government, and academia whose strategies for health and human services system improvements come from their personal experience with imperatives for change.

From there, she had progressive leadership roles at Lash Group and became the Senior Vice President and Chief Operating Officer – leading over 3,000 associates in three office locations (San Francisco, CA; Dallas, TX; and Charlotte, NC). She was most recently Managing Director (Partner) at Manatt, Phelps & Phillips, a leading healthcare advisory firm with offices in New York; San Francisco; Washington, DC; and Southern California.

She completed her bachelor's degree at University of California at Davis, her law degree at Hamline University School of Law and her master's in public health at Columbia University. She also completed her DrPH in health policy at the University of North Carolina at Chapel Hill. Nancy is a board member of the Sustainable Kidney Care Foundation.
