Mailman School of Public Health

Post Graduate Outcomes, Class of 2014-2015

This report analyzes the Oct. 2014, Feb. 2015 and May 2015 employment survey responses and related information. The Office of Career Services had information regarding 491 graduates as of Jan. 5, 2016, from a total of 602 graduates surveyed, a “knowledge rate” of 82% (similar to the 83% in 2013-2014, and an increase from the 70% in 2012-13 and 50% response rate in 2011-12).
Salaries

• 318 graduates reported salaries, with part-time and international currency salaries excluded.

• AVERAGE AND MEDIAN:
  – The overall average salary was approximately $81,280 (with no prior graduate degree: $65,843); the overall median salary was $62,000

• SIGNING BONUSES:
  – 61 graduates (17% of those answering this question) reported received signing bonuses, relocation, or education benefits.
  – The average signing bonus was $9,935 and the median was $5,000; the range was from $1,000 to $48,000 (including the cost of a full housing stipend abroad).

• SALARY INCREASES:
  – The average salary of all students prior to enrolling at the Mailman School was $51,157 and the average after was $81,280, an increase in the average salary of 59%. (Data from students with no prior income were excluded from analysis.)
  – The median salary before enrolling at the Mailman School was $40,000 and the median after was $62,000, an increase in median salary of 55%.

Student & Employer Quotes

STUDENTS

• “Thank you so much for your excellent work at Mailman and generous help to my intern/job searching!” —Biostatistics MS student, 2015.
• “Thank you SO much for all your help today. The information you've sent me is monumentally helpful.” —Environmental Health Science alum, 2013.
• “Thank you for these amazing resources and for all your expert input and advice on my job search, resume, and cover letter. I'm so grateful for this, and delighted to be able to access the Mailman alumni network and services.” —Sociomedical Science alum, 2000.
• “We are so lucky at Mailman! Our career services team is superstar!”

EMPLOYERS

• "We need smart, talented people who are passionate about healthcare. Students we’ve talked with today have good healthcare knowledge, and they’re quite passionate about improving the quality of care around the country." McKinsey
• “Mailman School students have a tremendous amount of academic knowledge, theory, project management…they’re extremely motivated and flexible. They’re exactly who we’re looking for.” Peace Corps
• “The students are confident, assertive, have great experience, background, and are passionate about Public Health. They also have great writing and technical skills, and are very knowledgeable and skilled.” NYC Dept of Health & Mental Hygiene
• “Great pool of candidates.” Fund for Public Health in NY
